FRONTEND DEVELOPER

SUMMARY

Frontend developer with a passion for crafting efficient and elegant solutions to complex problems. Proficient in Javascript (and its libraries/frameworks), with a strong foundation in software development principles and methodologies. Dedicated to continuous learning and staying abreast of emerging technologies. Excellent problem-solving skills and a collaborative team player with a drive for excellence in software development.

EXPERIENCE

Frontend Developer Intern

Apr 2024 - Sep 2024

Teckat Services Pvt Ltd

- Built mobile apps with the Ionic framework and creating dynamic, responsive websites using Next.js and React. My role involved delivering high-quality user experiences across various digital platforms.
- Created responsive websites that can adapt seamlessly to different devices, ensuring consistent user experiences across all gadgets.
- Worked closely with team members, contributing to UI/UX design discussions and ensuring alignment with project goals and user needs.
